MEMORANDUM FOR: Director, Office of External Affairs
FROM: Director of Central Intelligence
SUBJECT: Congressional Briefings

Will you continue building this up and identify committees who need briefings and arrange briefings as soon as possible. James Martin, North Carolina, Chairman of the House Republican Research Committee, has a group of young Republican Congressmen including Tom Coleman of Missouri and a few others. One of the others met with Martin and Coleman but I forget his name. I sent Martin a copy of the compendium on Central America. He would like to get his group together for the kind of briefing Menges can provide. Bennett is the only one of the others to whom I promised a briefing. Menges will undertake that.
